

PREFACE

Assalamualaikum Wr. Wb.

Thanks to Allah SWT, which writer convey for the grace, bounty, and mercy so writer can create this book as a graduation thesis with title “**Proposal Of Inventory Policy For Drug And Medical Consumable In ICU Depot In Hospital XYZ Bandung Using Periodic Review (R,s,S) System And Joint Replenishment**” as one of requirement to complete the industrial engineering bachelor program in Telkom University.

In process to completion there are so many emotion and experience that writer can't fully express it with word on this preface. That is why writer want to convey the feeling of gratitude toward all side that has been helping in the process of completion.

The feeling of gratitude, writer conveyed to :

1. Allah SWT that always been giving the grace and bounty that writer can finish the book on time with satisfying result.
2. The parent of writer, Ibu Tati Rachmawati and Bapak Muchtarudin, who always give the very best of courage and prayer toward writer.
3. The writer's siblings, Ari Kurnia whom continued his study on master degree. Kianti Nur Ramadhani writer's only sister whom on Allah SWT 's side right now. Febian Nur Rizki Aji the youngest one whom display great talent from young and wish to a great person in the future.
4. Ms. Dida Diah Damayanti, as Advisor 1. Thank you for the guidance and the knowledge that has been given during the completion process of this graduation thesis.
5. Mr Budi Santosa as Advisor 2, great mentor, and friend whom has played great role for writer to start knowing Supply Chain Management world. Thanks for the guidance and knowledge that has been given to writer since the last three (3) years.

6. All the SCM colleague of Industrial Engineering that has been through the long and tiring process together, this one is for you all.
