

ABSTRACT

Depok tourist guide is designed to provide information relating tourism in city of Depok. Tourism guide book devoted to community Depok, aged 18-25 years who loves travelling, photography, up-to-date, insightful and thrilled to find new things. The design is done by the method of the study of literature, questionnaire, interview and observation. The author conducted interviews with tourism ambassador the city of Depok, namely 'Mpok' Andrea Diandra and Mr. Abdul Aziz, executor of technical business development Dinas Pemuda, Olahraga, Pariwisata, Seni dan Budaya. A number of 100 questionnaires distributed to respondents and obtained the results by percentage 92% agree the lack of information relating to the potential tourism city of Depok. The information offered in the form of description of natural attractions, religion, art and cultural, and culinary tourism. Not only that information on public transport routes, but also opening hours until the ticket price offered in the tourism guide book. It is expected that public will be able to know and visit Depok City tourism.
