

PREFACE

Alhamdulillah praise to Allah SWT with his bless and grace I can complete this mini thesis with the tittle “The Influence of Leadership Styles toward Employee Performance (Case Study at Marketing Division of PT. Topgrowth Futures Bandung)” proposed as one of the requirements in obtaining a Bachelor degree in Management Internationnal ICT Business Studies Program at Telkom University. In the process of preparation of this thesis, many authors get help, support, guidance, and direction, as well as corrections and suggestions from various parties. Therefore, the authors would like to thank:

1. Dr. Fetty Poerwita Sary, SS., MPd As supervisor Telkom University thesis on time, support, advice, and the opportunity given to constituent during preparation of this paper.
2. Ma’am Indrawati, Ma’am Ratri and Ma’am Ella who become my guardian lecturer and examiner, also provide me with direction about the subject that I took in my college.
3. Budyo Waluyo and Suwarni, as the parents of the author and the author’s sister Athaya Rachmatunnisa, thanks for all the support both affection, attention, moral, financial and thought has been given donations. I love you guys, thank you very much.
4. KMS: Aryo Fauzan Mulyono, Gauri Davin Andhika, Kandy Prayoga, Aldi Kurnia, Mbe’, Raihan Hilmi, Rifki Rahman, Datya Pradana, Ikram Alvin Putra. All of you always there for me, carrying, listening, and entertaining since 7 years ago. Thank you for helping me to become stronger inside. Thank you also to Bega (Abe,Bayus) who always make encouragement to me to do things since highschool, also...Thanks to “You”, who gave me life lesson that I couldn’t forget as long as this feelings can still feel. Thanks☺
5. Friends International ICT Business 2012, Thanks Also Eko Yudi Mulyono, Wibisono Juhdi, Rifa, Bina who being such a good friend as long as I live in Bandung.
6. All parties who have been willing to provide information, support and encouragement during preparation of this paper. And also all friend that I cannot mention one by one.

The author aware that the preparation of this paper is still far from perfection both materially and formulation. Therefore, criticism and suggestions are expected as a material improvement in the foreseeable future. Hopefully, this thesis is useful for all parties. Thank you.
