

OFFERING PAGE

1. This paper is presented as a gratitude to ALLAH SWT that with his fortune I could be given the opportunity to complete education up to this stage.

Alhamdulillah.

2. This mini thesis as an offering to my family, especially my father, mother, and sister that Budyo Waluyo, Suwarni, Athaya Rachmatunnisa. Thank you for your patience and counsel so that I could get to the end of this higher education ranging from kindergarten to the college level. Thank you I love you guys :)

3. This mini thesis is dedicated to all the lecturers who teach, test, lead, giving direction during my study at Telkom University. Without you I would not be able to stand up to this stage.

4. This mini thesis is dedicated to Telkom University who has given a place to study for approximately 3.5 years, as well as evidence of the seriousness and pride can go to college here, especially in the ICT of International Business program.

Thank you very much.
