

Abstract

In Bandung today, there is an unique kind of tour that it is difference from others there is. It is called or known as UrBandung Legend. UrBand Legend offering you the atmosphere of historical building with the mystical value. But distance, time and location are making it difficult for outsiders, so they have not experience it yet for now.

GEMMIES is a 3D role-playing games of the Indonesian myth and mystical place especially in Bandung. Gemmies is using *Virtual Reality (VR)* in order to create the most realistic atmosphere. As the result that has been done with Komunitas Mistis Bandung and some students, they are enthusias and capable using the game.

Keywords : Bandung, *virtual reality*, *game* GEMMIES
