BANDUNG CITY”**

**(DOCUMENTARY FILM ABOUT INDEX OF HAPPINESS OF BANDUNG
CITY)**

Abstrack:

Bandung is one of the biggest city in Indonesia. Bandung is also the only city in Indonesia who does the “index of happiness” survey. Index of happiness is a survey that has been done by the United Nation Sustainable Development Solutions Network (SDSN). Currently, Bandung is rebuilding its public areas with the intention to raise Bandung’s citizen index of happiness. To realize that, Bandung’s government has been revitalizing public parks around Bandung to be parks with different, unique themes and a refreshing open space for the people to socialize with ease. These theme parks have its own unique theme, such as “Taman Alun-Alun Bandung”, “Taman Balai Kota” and “Taman Teras Cikapundung”. These parks will be the object to create a documentary that reveals, are these theme parks have increased Bandung’s citizen index of happiness. With DSLR camera, everything is explained in detail with a documentary film titled, “The Joyful Parks of Bandung City”.
