

## **DAFTAR TABEL**

|            |                                                      |       |
|------------|------------------------------------------------------|-------|
| Tabel 2.1  | Instruction List                                     | II-7  |
| Tabel 4.1  | Tabel Titik Pergerakan Random CCTV                   | IV-10 |
| Tabel 4.2  | Proses Control Manual                                | IV-11 |
| Tabel 4.3  | Proses Startup Initialisation pada Control Automatic | IV-11 |
| Tabel 4.4  | Proses Pergerakkan Random CCTV                       | IV-11 |
| Tabel 4.5  | Proses Pergerakkan CCTV ke Posisi Sensor             | IV-12 |
| Tabel 4.6  | Proses Rekam                                         | IV-12 |
| Tabel 4.7  | Pengalamatan Input                                   | IV-13 |
| Tabel 4.8  | Pengalamatan Output                                  | IV-13 |
| Tabel 4.9  | Skenario Pengujian Program PLC                       | IV-15 |
| Tabel 4.10 | Skenario Pengujian Program HMI                       | IV-20 |
| Tabel 5.1  | Hasil Pengujian Program HMI                          | V-5   |
| Tabel 5.2  | Hasil Pengujian Program PLC                          | V-16  |
| Tabel 5.3  | Data User Entered                                    | V-17  |
| Tabel 5.4  | Data Sensor Detection                                | V-17  |
| Tabel 5.5  | Data Hasil Rekaman CCTV                              | V-18  |
| Tabel 5.6  | Data Disable Sensor                                  | V-18  |
| Tabel 5.7  | Hasil Verifikasi Aplikasi Terhadap Responden         | V-23  |
