

LIST OF TABLE

Table I. 1 Process time and Machine Capacity in Die Casting Department	17
Table I. 2 Die Casting Department Size	18
Table II. 1 Compared with Previous Research	47
Table IV. 1 Department Size.....	53
Table IV. 2 Facility Function.....	55
Table IV. 3 Part Specifications	56
Table IV. 4 Material Flow for each part	62
Table IV. 5 Material Movement Frequency for each part	64
Table IV. 6 Information of ARC Code	65
Table IV. 7 Reason Code of ARC	65
Table IV. 8 Reason Code for one department to other	66
Table IV. 9 Worksheet of Activity Relationship Chart	66
Table IV. 10 Routing Sheet	68
Table IV. 11 Space Requirements.....	73
Table IV. 12. Initial Layout Information	74
Table IV. 13. Additional Facilities Needed	75
Table IV. 14 Alternative Solution.....	80
Table V. 1 3 Alternative Layouts.....	81
Table V. 2 Comparison of total Material Handling Moment.....	89
Table V. 3 Facility needed based on theoretical and actual.....	91
Table V. 4 Space Needed based on Existing and Theoretical	92
