

## LIST OF FIGURES

|   |    |
|---|----|
| Figure I.1 Operators Taking Sack Bean.....  | 17 |
| Figure I.2 Graph of SNQ Result .....  | 17 |
| Figure II.1 Front and Rear View of the Human Skeletal System .....  | 22 |
| Figure II.2 Classification and Codification of the vertebrae.....   | 26 |
| Figure II.3 Simple model of the lower back (low back) were studied by Chaffin<br>for the analysis of static lifting activities..... | 29 |
| Figure II.4 Diagram of the strength model .....   | 30 |
| Figure II.5 Joint Angles Dialog for 3DSSPP version 4.0 .....  | 31 |
| Figure II.6 Nordic Body Map .....   | 36 |
| Figure II.7 Table Frequency Multiplier (FM).....  | 43 |
| Figure II.8 Coupling Multiplier Table (CM) .....  | 44 |
| Figure III.1 Conceptual Model.....  | 50 |
| Figure III.2 Systematic Problem Solving.....  | 52 |
| Figure IV.1 Business Processes (Farmer - PT. ABO FARM - Exporter).....  | 57 |
| Figure IV.2 Processes that is Happens in Collector.....   | 58 |
| Figure IV.3 Operators Taking a Sack of Beans .....  | 59 |
| Figure IV.4 Operator Carrying a Sack of Beans.....  | 59 |
| Figure IV.5 Operator Putting a Sack of Beans.....   | 60 |
| Figure IV.6 Illustration of proposal container .....  | 66 |
| Figure IV.7 The Chart of L5/S1 Compression Force while taking a sack of beans<br>.....  | 67 |
| Figure IV.8 The Chart of L5/S1 Compression Force while carrying a sack of<br>beans .....  | 67 |
| Figure IV.9 The Chart of L5/S1 Compression Force while putting a sack of beans<br>.....   | 68 |
| Figure IV.10 Selected Work Posture .....  | 68 |
| Figure IV.11 Anthropometric Data.....   | 69 |
| Figure IV.12 Data Hands Forces .....  | 69 |
| Figure IV.13 Data Input of Joint Angles of Taking Posture.....  | 71 |
| Figure IV.14 Posture of Taking a Sack of Beans.....   | 71 |
| Figure IV.15 Assessment Result for Taking a Sack Beans Posture.....   | 72 |
| Figure IV.16 Data Input of Joint Angles of Taking Posture.....  | 73 |
| Figure IV.17 Posture of Carrying a Sack Beans .....   | 74 |
| Figure IV.18 Assessment Result for Carrying a Sack Beans Posture.....   | 74 |
| Figure IV.19 Data Input of Joint Angles of Taking Posture.....  | 76 |
| Figure IV.20 Posture of Putting a Sack Beans.....   | 76 |
| Figure IV.21 Assessment Result for Putting a Sack Beans Posture .....   | 77 |
| Figure IV.22 The Result of RWL Calculation.....   | 78 |
| Figure IV.23 The Result of LI Calculation .....   | 78 |
| Figure V.1 Style Assessment Press L5/S1 in Every Activity .....   | 79 |

|  |    |
|--|----|
| Figure V.2 The Posture of Taking Activity on Alternative 1 .....               | 86 |
| Figure V.3 The Posture of Carrying Activity on Alternative 1 .....             | 87 |
| Figure V.4 The Posture of Putting Activity on Alternative 1 .....              | 87 |
| Figure V.5 Illustration of inclined plane.....                                 | 90 |
| Figure V.6 The Posture of Taking Activity for Alternative 2.....               | 91 |
| Figure V.7 The Posture of Carrying Activity for Alternative 2.....             | 91 |
| Figure V.8 The Posture of Putting Activity for Alternative 2 .....             | 91 |
| Figure V.9 The top and side view of the containers placement on the truck..... | 95 |
| Figure V.10 The top and side view of the sacks placement on the truck.....     | 95 |
