

ACKNOWLEDGEMENT

This mini thesis was done by the help of Allah Subhanahu Wa Ta'ala who blessed me in every step I took and also with many supports from all the people around me. Thus, I would like to say thanks to:

1. Mrs. Indira Rachmawati S.T., M.S.M. as my advisor for doing the mini thesis and guide me to finish this mini thesis. Without you, I can't move forward, thank you for all advices, times, and your patience. And also thank you for lecturing me and add my knowledge in my studying period.
2. My Parents for supporting me in every single ways, which I could not mention nor explain.
3. Mr. Ir. Tjahjono Djatmiko, M.B.A. as my academic supervisor in my studying period for giving me so much support and valuable suggestions.
4. And all the people who I cannot mention one by one, thank you.

The author realizes that this report has still many shortcomings. Criticisms and suggestions are expected to create perfection in future research. Hopefully this paper useful and can be used as additional information for all those in need.
