

ACKNOWLEDGMENT

This thesis proposal was done by the help of Allah Subhanahu Wa Ta'ala who blessed me in every step I took and also with many supports from all the people around me. Thus, I would like to say thanks to:

1. Mrs. Indrawati, MM., Ph.D as my advisor for doing the thesis proposal and guide me to finish this thesis proposal. Without you, I can't move forward, thank you for all advices, times, and your patience. And also thank you for lecturing me and add my knowledge in my studying period.
2. My parents, Lulu Chairul Anshor and Deci Andayani Harumsari, as my genuine supporters. The ones that I look up to in almost every aspect. All that I am, and ever hope to be, I owe it all to them. Also Bunga Zataisma, my sister.
3. The beloved Eyang Papi and Eyang Mami for those priceless time of yours when you tirelessly mentioned my name within your prayer.
4. My best tribe, International ICT Business Batch 5, thank you for the warmth you gave, for every single bit of it in this past 3 years. I'll forever cherish it!

After all perfection belongs only to God and I also apologize if there are some errors in the writing and content for this statement.
