

Abstract

Abstract-At present time, the world development has become completely quick which is forced the people to act more quickly than before even for children, to anticipated this matter, necessary islamic learning have to do since earlier and a good facility to confront the world nowadays so that the children be able to concentrate to their islam learning. Moreover to optimize children potential earlier which is based to Islamic learning. In order to develop such as children potential especially in religion matter, needs a proper facility but some facility still count on how the lesson to be explaine withoutany development on how to act proper as a leader. Not only has a high IQ but it needsto do with a proper behavior and of course always remember to Allah swt. From the potential that mention before, thus it needs a facility not only count on how a matter to be explaine but it needs on how children help each other and have a a relationship with each other continually.
