

PREFACE

As the author, I would like to thank Allah SWT for all the blessing and guidance to help me finish this research. Also, I want to express my gratitude to my beloved parents, Ayah and Ibuk, who always support and care about me wherever and whenever. I also would like to express my appreciation to all the lecturer from Telkom University for the guidances and the knowledges that given to me especially from the Information System study program:

1. Mrs. Dr. Tien Fabrianti Kusumasari, S.T., M.T. as my first advisor for this research.
2. Mrs. Rachmadita Andreswari, S.Kom., M.Kom. as my second advisor for this research.
3. Mr. Muhammad Azani Hasibuan, S.Kom., M.T.I. as both DE and final project presentation reviewer.
4. Mr. Faishal Mufied Al Anshary, S.Kom., M.Kom., M.Sc. as my final project presentation reviewer.
5. Mr. Soni Fajar Surya Gumilang, S.T., M.T. that always support and motivate me while conducting this research.

Not forget, Mr. Yudhi Widyatama that always help me to solve any technical problem during this research. Furthermore, I also want to say thank you, to Gredy, Alfi, Febri, Prodase Laboratory Family, and all my friends that always be there with me in any situations we have been through together this 4 years whom I cannot mention one by one.

The author realize that this research is not infallible, therefore, it is expected to get any criticisms and suggestions to improve further research. Hopefully, this research can be useful for the readers.
