

ABSTRACT

Bandung is called the flower city and Paris Van Java because of its beauty that has many trees and flowers that grow in the city of Bandung. Along with the development of the times, the parks in Bandung were in fix and continue to grow. Government Mayor of Bandung Ridwan Kamil or familiar in call this Emil Kang, presents some theme parks in the city of Bandung. The definition of the theme park itself is the hallmark, location and function. Mayor of Bandung Ridwan kamil build thematic park is to characterize a happy city when its citizens interact in public space and can be implemented through the park. But unfortunately many pengunjung parks and unscrupulous elements who are not responsible for vandalism actions in thematic parks. This action makes thematic parks in Bandung become damaged, dirty and reduce the aesthetic value of thematic park. The purpose of this final project is to convey, remind and convey the message to the citizens of Bandung and especially the visitors of the park in Bandung in order not to do vandalism in the park, such as littering, scratch-coretserta damage existing facilities park id. Methodology used is observation, interview and literature study. Final Results This final project, the author made a 2D storyboard animation "Bobi" is about the action of vandalism committed by children aged 11-15 years who lack the attention of parents so doing the action. The design of this storyboard is a visualization of the manuscript that has been made with the story of a child who lacks the attention of his parents so that feel lonely and do the action of vandalism.
