

LIST OF FIGURES

LIST OF FIGURES

Figure 1.1: LZW vs. LZW++ (Txt Format) [3]	1
Figure 1.2: Block diagram compression	3
Figure 2.1: Compressor and decompressor [6]	5
Figure 2.2: Block diagram of compression and decompression	6
Figure 2.3: Lossless compression algorithms	6
Figure 2.4: Lossy compression algorithms	7
Figure 2.3: LZW++ Algorithm for Compress Data [4]	11
Figure 2.4: LZW++ Algorithm for Decompress Data	12
Figure 3.1: Flowchart of LZW compression technique	14
Figure 3.2: Flowchart of the Proposed Modified LZW Compression technique.....	15
Figure 3.3: Flowchart of the Proposed Modified LZW Compression technique.....	16
Figure 4.1: Experiment file size compression of simple file	23
Figure 4.2: Experiment Compression for simple file.....	24
Figure 4.3: Comparison compression text in terms of file size	26
Figure 4.4: Comparison compression text in terms of time performance.....	27
Figure 5.1: Experiment Compression for simple file.....	32
Figure 5.2: Experiment Compression for medium file	35
Figure 5.3: Experiment Compression for complex file.....	38
