

List of Figures

1.1	An example of Voronoi diagram based on the order.	2
1.2	Comparison on reuse processing of list of data	3
2.1	Voronoi diagram with 6 generators point.	5
2.2	First-order voronoi diagram	6
2.3	Order-3 Voronoi diagram	7
2.4	Order-3 VD (left) and HSVD (right)	8
2.5	Apache Spark master/slave architecture	12
3.1	HSVD region construction process	19
3.2	HSVD centroid labelling process	20
3.3	An example of HSVD on Apache Spark workflow	21
3.4	An Example partitioning of HSVD on Spark	22
4.1	Number of partition comparison execution time result.	26
4.2	Execution time comparison result.	27
4.3	Labelling method comparison of HSVD on Apache Spark	28
4.4	Region construction and labelling comparison	29
