

ACKNOWLEDGEMENT

Alhamdulillah, praise to Allah Subhanahu Wa Ta'ala who gave me great chances to finish this mini thesis entitled **“Exploring Factor Influencing Electronic Money Adoption (Qualitative Study of LINE Pay e-cash in JABODETABEK)”** in Partial Fulfillment of the Requirements for the Degree of Bachelor International ICT Business, Telkom University, Bandung.

In completing this mini thesis, the author earned guidance and big motivations from many parties. The author would like to deliver appreciations to:

1. Indrawati, Dra., M.M., Ph.D as my supervisors who always help, support, and give guidance to conduct the study. Thank you for all knowledge, experiences, times, and patience.
2. Mrs. Ratri Wahyuningtyas, S.T., M.M. as the authors academic supervisors who give guidance during the collage study.
3. Bambang Heriyadi and Metra Sastra as author's parents for all forever supports.

The author apologizes if there are some weaknesses found in this research. The author hopes the research findings can be used as learning materials for better research in the future.
