

ABSTRACT

Persib was one of the biggest football clubs in Indonesia, has one of the largest supporter of se-Indonesia they named the Bobotoh. Bobotoh Bandung often do activities together to keep harmony between the supporters set in cafe lounge & gathering place for Bobotoh Persib (Persib supporters). But there are obstacles when gathering Bobotoh i.e. lack of game entertainment facilities provided. With limited facilities, games are becoming more cool Bobotoh itself rather than communicating between their fellow supporters. Indeed the times technologically current practical gadgets into Staples direct, but not against any gathering gadget dependence Bobotoh Bandung can be reduced by the presence of on-site entertainment games such as Board games with a theme close to the identity of the Bobotoh. When the Board of the toy design optimally later Board toys can be played on a table in the cafe that have mini Graha Persib facilities that could be used to play it as well as save Bobotoh places available. Board games have character toys Persib not individualist i.e. one and two short of bait or not touch one man show. Viewed such phenomena of writers will design the earliest known use of a table of notable Players: crunch as the theme to attract interest Bobotoh play this game later and add the game entertainment facilities have not been provided by the Cafe Lounge & Persib
