

## **PREFACE**

*Assalammu'alaikum Warrahmatullahi Wabarakatuh,*

Praise is merely to the Almighty Allah SWT who has given his grace and guidance so that the author can finish this Final Project entitled “An Inventory System for Packaging Material under the Probabilistic Demand Using Joint Replenishment Method At Cocoa Company”, as the prerequisite for completing bachelor program of Industrial Engineering at Telkom University.

The author realizes that this Final Project is still far from perfection, therefore the author appreciates any suggestion and constructive criticism that can develop and improve this final project so that it can be for those in needs and education in general.
