

## LIST OF FIGURES

Figure 2.1 Architecture WSN .....	7
Figure 2.2. Protokol stack WSN .....	7
Figure 2.3. WSN component block.....	7
Figure 2.4. Comparison of wireless communication standards .....	8
Figure 2.5. ZigBee Architecture .....	9
Figure 2.6. Network Structure IEEE 802.15.4 / ZigBee .....	10
Figure 2.7. Rice growth phase .....	13
Figure 2.8. Development of rice plant growth .....	13
Figure 3.1. WSN System Model .....	13
Figure 3.2. Flow chart system.....	15
Figure 3.3. Location of vegetative stage .....	16
Figure 3.4. Location of reproductive stage .....	16
Figure 3.5. Location of ripening stage .....	16
Figure 3.6. Plotting topology cluster tree.....	18
Figure 3.7. Schematic node coordinator with node sensor/node router.....	20
Figure 3.8. Schematic node coordinator with router node and end device .....	20
Figure 3.9. Cluster tree topology scheme with 7 sensor nodes.....	21
Figure 3.10 Routing mesh topology.....	22
Figure 3.11 Routing cluster tree topology .....	23
Figure 4.1. Location of research area.....	25
Figure 4.2. Sensor node .....	26
Figure 4.3. Node coordinator .....	26
Figure 4.4. Results of RSSI measurements on <i>XCTU software</i> .....	27
Figure 4.5. RSSI curve for distance at the vegetative stage, reproductive, ripening. .	28
Figure 4.6. Delay graph with an area of 1 hectare and 2 hectares .....	30
Figure 4.7. Testing results of four sensor nodes in <i>XCTU software</i> .....	31
Figure 4.8. Graph of pH levels at stage of rice growth.....	32
Figure 4.9. Graph of temperature at vegetative stage in node device 4.....	34
Figure 4.10. Graph of temperature at vegetative stage in node device 7.....	34
Figure 4.11. Graph of temperature at reproductive stage in node device 4.....	36
Figure 4.12. Graph of temperature at reproductive stage in node device 7.....	36
Figure 4.13. Graph of temperature at ripening stage in node device 4.....	37
Figure 4.14. Graph of temperature at ripening stage in node device 7.....	38
Figure 4.15. Graph of vegetative soil moisture test results.....	40
Figure 4.16. Graph of humidity soil test results of reproductive stage.....	41

Figure 4.17. Graph of soil moisture moisture test results .....43
