

DEDICATION

This final year project is for the ones I love and I cherish so much throughout the history of my life. They are the ones who made me who I am today and I could not be more grateful for their presences. This is dedicated to:

1. My parents and siblings for all the struggle raising and supporting me through times.
2. Aprilia Ratna A.H, for being such a good and reliable partner for this final year project.
3. My support system from college life: Elda Shabrina, for all the late night talks about life; Nadia Aurora Soraya, for all the ridiculously stupid memes we have shared throughout these past four years; Nurul Fauzia, for all the Thursday to Sunday 'NeA' Time; Elina Novita Putri, for all those motorcycle loans she has given; Fatimah Marwahutami, for all the times she was here and was not here, thank you. I owe you guys big time!
4. Gallant-gallant: Rafif Prayogi, Benedictus Prasetyo, Bimo Bayu Aji, Wirandy Fajar Saputra, Insan Adiguna and the girls. Thank you for all the late night trip to Punclut or anywhere. My college life rocks because of you guys.
5. One big family of Statistics and Operational Research Laboratory 2014: CAN, JUW, NAD, CTB, SKY, INR, BLA, GAR, TAA, APR, WFI, ARA, GRP, KHO. Thank you for all the ups and downs memories we have spent together.
6. LUNATRIX; Thank you for teaching me how to not give up for anything that is thrown at me. See you guys on top!
7. Friends and all parties that I can not mention one by one for all their endless support. Thank you.

For people mentioned above, may God bless you abundantly for all kindness you have given to me. This one, I could not have done it without you all. Thank you.

Isaiah 41:10

"Don't be afraid, for I am with you, there is no need to fear, for I am your God. I will strengthen you and help you. I will hold you up with my victorious right hand."
