ABSTRACT

Museum Central Java Ranggawarsita Semarang is a museum about their java history, early on the rocks and technological development and upgrade by the community Java, all of which summarized inside the Central Java Ranggawarsita Semarang. In a Museum Central Java Ranggawarsita Semarang current with many collection in advertise inside the, could not attract locals and do not have a clear and the hallmark of java culture has felt at interior museum. Hence the need for Redesign Central Java Ranggawarsita Semarang with a groove collection clearer with layouting to be more informative, so that the visitors can capture information in full with the interior that supports cultural identity Java. And create interior able to participate interest and development era, but still carry values and cultural identity Java.

Key word : Museum Jawa Tengah Ranggawarsita Semarang, Jawa, Redesain, Interior
