

INTERIOR DESIGN OF MOMMY & ME PREMIUM

ABSTRACT

Ranie Ridhianie Hakim. 1603144106. 2014. Design of Mommy & Me Premium. Introduction to Final Project : Telkom University Faculty of Creative Industry Interior Design. The design of Mommy & Me Premium is motivated by needed for body care that is increasingly needed for the community. Starting from babies, children and Mom who need care facilities as a means of gaining fitness and health. Many various trends in spa activities, such as spa for mom and kids. Spa treatments for moms and kids are the current trend of choices. So with the presence of a spa mommy & me premium in Bandung, this is the attraction for the visitor to visit to do care for moms and kids.

The purpose and goal of designing mommy & me premium in Bandung is to make design of mommy & me premium that can pay attention to interior elements (furniture, layout, lighting, materials, etc.) that are appropriate and to design mommy & me premium pay attention to the goals of age classification and needs that can provide comfort and safe to support all visitor activities.

Concepts of Natural can be one of alternative that can be applied for mommy & me premium design, it is necessary to pay special attention to the processing of furniture, layout and good circulation. In addition, it is also needs to attention for other aspects such as, the use of materials, the use of colors, air conditioning, lighting and also for their safe.
