

PREFACE

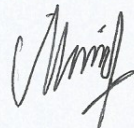

Alhamdulillah, all praise and gratitude the author praises the presence of Allah SWT, because of His mercy the author can complete this final report with the entitled "DESIGNING MINI MASTER PLAN FOR DEVELOPING E-LEARNING CONTENT IN PROJECT MANAGEMENT COURSE (CASE STUDY : PROJECT PROCUREMENT KNOWLEDGE)".

The purpose of this final report is to fulfill one of the courses in the Faculty of Industrial Engineering, Industrial Engineering study program at Telkom University. During the making of this final report the author gets a lot of support from various parties, therefore the author is very grateful to:

1. Devi Pratami, S.T.,M.T.,PMP as the first adviser I who has given some direction advice to the writer.
2. Bapak Muhammad Azani Hasibuan, S.kom.,M.T.I.,PMP as the adviser II who has given some direction advice to the writer.
3. All Industrial Engineering lecturers and students at Telkom University who cannot be mentioned one by one.

In writing this report, the author realizes there are still many shortcomings in both technical writing and material. Therefore, constructive suggestions and criticisms are expected to be improvements in the future. Hopefully, this Final Project can be useful for the author and can be used as a reference material for all interested parties.
