

ABSTRACT

REDESIGN SIS CILEGON

School is a place to study, schools have various criteria, one of them is a school with international standards. In Indonesia, School with International standards must have to follow Government regulations and must follow basic general rules that have been regulated in government regulations on Education.

SIS (Singapore International School) is one of the many international school groups that exist and operate in Indonesia. Especially SIS Cilegon, the only international standardized SPK school in Cilegon, Banten.

The existence of SIS in the city of Cilegon, which is quite small city, makes SIS Cilegon become a prestigious school and much in demand. not only by expatriates whose living in Cilegon but also by surrounding communities who's afford to pay the tuition fee at SIS Cilegon. In addition, SIS Cilegon gave 3 languages of instruction; Bahasa, English and Mandari. This is become a stronger point for the school.
