

ACKNOWLEDGEMENT

Alhamdulillah, all praise to Allah Subhanahu Wa Ta'ala for the countless blessing and for giving me the strength to complete this mini-thesis entitled "ANALYSIS FACTORS INFLUENCING THE ADOPTION OF MOBILE PAYMENT USING THE UTAUT2 MODEL (A CASE STUDY OF OVO IN INDONESIA)". This mini-thesis aimed to fulfill one of the requirements for a bachelor's degree in International ICT Business study program at Telkom University, Bandung.

In this study, I get a lot of guidance, reviews, advice, and lots of motivation from various parties. Therefore, I would like to thank:

1. Mrs. Indira Rachmawati S.T., M.S.M., as my advisor who has spare her energy and time, given the support and guidance for me in accomplishing this research,
2. Mrs. Irni Yunita, S.T., M.M., as my academic advisor who provided guidance, assistance, and advice for me since the first semester at Telkom University,
3. My examiners, Mr. Osa Omar Sharif, S.Si., MSM and Mrs. RR. Rieka F. Hutami, S.M.B., M.M. who help me in completing this final mini-thesis,
4. My beloved parents, Sudarno and Hasna Yeni, my lovely siblings, Dewi Sartika Mahmudah and Tio Mumtazul Azmi and my huge families, who always gave me support when I needed the most. Thank you for the endless love, the encouragement, the comfort and all of the prayers in my life,
5. Ms. Endang Amalia, ST., MM, Ir. Heru Basuki Purwanto, M.M., Ir. Soeparwoto Dharmoputra, M.BT as the experts to check and give the suggestion for the face validity for this research questionnaire items,
6. All of the lecturers at the International ICT Business study program who have provided me the knowledge and insight since I become a student at Telkom University

7. My fellow friends, Azwinda Uriatul Ufla, Desi Trisnasari, Regita Ayu Putri, and Silvi Aisah Kusumawardani for bringing the excitement in my everyday life, have been kind and supportive to me over the several years,
8. All of the friends in ICT Business Batch 7
9. Also for all of the people which I cannot mention one by one.

I realize that this research has many shortcomings, so critics and suggestions are expected to create perfection in future research. Hopefully, this research is useful and can be used as additional information for all those in need.
