

## PREFACE

First of all, I want to say a lot of thank to Allah Subhanahu Wa Ta'ala who blessed me in every step I took, help me for every chance and give me strength to finish this mini thesis proposal entitled "The effect of internal green practice and external green collaboration towards firm competitiveness through green performance with case study of LCGC in Indonesia." as a requirement to achieve a Bachelor Degree in Telkom University.

And, I want to thank for everyone who help and always give the author support to finish this proposal:

1. My beloved parents Mr. Mustari Kani and Mrs. Tuti Suryawati who always gives supports and advices to me, who also prays for me during my college study. My brother Indra Bhakti Utama and my sister Sri Sukarti.
2. Mrs. Sri Widiyanesti as my supervisor for my mini thesis proposal, thank you for your guidance and patience in helping me until I can finish this proposal.
3. Dr. Ratri Wahyuningtyas, S.T., M.M. as my academic supervisor through my study in Telkom University
4. My best friends Rivan Andriawan Mahury, Devi Apriyanti Walean, Afrilia Utami and Ananda Putri Rukmanadi who always gives me supports and advices, who always besides me and try to boost me up whenever I give up about this project.
5. My class MB-38-Intl and International ICT Business' 14 thank you for the friendship, unforgettable memories during university period and thank you for amazing this past 3 and half years.
