

ACKNOWLEDGMENT

"By saying Alhamdulillah and Bismillah, this Final Project I present to my Father namely Agus Nugraha, my Mother namely Kentie Marlina, my Sister namely Aullya Putri Nugraha, also my Brothers namely Ihsan Raid Furqon Nugraha and Rafi Nazmi Nugraha who have provided encouragement and support to complete this study and final project until done. Endless love and support for me. And for all my friends who have also helped me to complete this final project. I thank you very much. Hopefully this research can be useful for myself, the institution and also for others. "
