

## ACKNOWLEDGMENT

On this occasion, the writer would like to thank the related parties who have helped during the process of this Undergraduate Thesis. This thank expression, the writer convey to:

1. Allah SWT for blessing, mercy, and compassion also forgiveness from Him so that the author can still do the best in her life.
2. For the two angels in my life who are always there and understand all the conditions of the writer, Mama and Papa. The writer says: *"Thank you for everything, Ma Pa. Tanpa Mama dan Papa, kakak tidak akan bisa menjadi seperti sekarang ini."*
3. For two younger brother of the writer, Ardo Dwiky Rilliyanda and Rohid Aqillah Marilly, thank you for always giving support and attention to the writer and always faithfully waiting for the write to come home.
4. For the two supervisors of the writer, Mr Erfansyah Ali S.T., M.T. as the first supervisor and Mr Dr. Aloysius Adya Pramudita S.T., M.T. as the second supervisor who always guides, provides motivation and assist the writer in completing this Undergraduate Thesis.
5. For Ma'am Retno Hendryanti, Ph. D. and Ma'am Nur Andini S.T., M.T., the author would like to thank profusely and sincerely for her support to the author during her education at Telkom University.
6. For the writer's family, Un-Faedah, Adam, Pulu and Bunga. The writer would like to thank the three of you who always make the writer's days filled with anger:D and happiness.
7. For Yogantana Arum Panganti, the writer say thank you for being the first friend of the writer at this university. Thank you also for the love and attention for being best friend of the writer.
8. Aditya Rifky Ramadhan, the writer's partner in crime. Thank you for working together and fighting together while working on this Undergraduate Thesis. Keep spirit for the future and the writer hopes to work together again on another day.

9. For Fawwaz Nabil and *Bang* Yuda Nugraha who has helped the writer in retrieving and processing data for this Undergraduate Thesis and also thanks to her DSP Practicum Assistant, 'Inti DPA' (Mifta, Lila dan Neni) and TT-40-INT friends who have provided support during the author lectured at Telkom University.
10. For the *Uni* Trasma, thank you for introducing Telkom University to the writer and also for all the support given to the writer and also to *Bang* Ki, *Tek* Eby, *Uni* Meri and *Bang* Khamid, thank you for all your support to the writer.
11. For Arina, Dhisca and Efa. Thank you for your help when the writer stayed in the dormitory.
12. To the little friend of the writer, Windari Saputri E.W., the writer apologize for not being able to be a good best friend and the writer say thank you profusely because they are still willing and comfortable to be friends with the writer.
13. For strong girl, writer's beloved sister, Marita Fauziah. Thank you for all your time, energy, thoughts and feelings during your friendship and being the author's sister. The author also wants to convey her proud to you because you have become the best version of yourself without anyone's help. "Good luck gurl, hope you are successful and happy".
