

ACKNOWLEDGEMENT

Assalamu'alaikum Warahmatullah Wabarakatuh

Praise the presence of Allah Subhanallahu wa Ta'ala, because thanks to His grace and His help, the author can complete the Final Project with the title **“FEASIBILITY STUDY FOR ADDITION OF NEW TELEVISION CHANNELS TO IMPROVE USEETV NEW CUSTOMER GROWTH ”**. This report is used to fulfill the task as one of the requirements of graduation. This task is intended in addition to fulfilling the passing requirements in practical work, also intended to assist the company in solving the problem to increase new customer growth.

On this occasion the author would like to say his greatest thanks to:

1. Mr. Rosad MEH., M.PD., MT as the first advisor who always provided his knowledge to help the author improve and finish the final project, and always motivate the author to finish the project.
2. Mrs. Maria Dellarosawati Idawicaksakti, S.T., M.B.A.as anadvisor who has provided many directives and inputs to me in carrying out this final report and also the completion of this final report
3. Mr. RinoAndiasAnugraha as the guardian of TI-38-INT lecturer who always provide motivation, direction, and spirit for his students especially in TI-38-INT class.
4. Bu Anita as the source of the company information that already help me to analyze the business
5. My family that always support and pray for me. I love you no matter what.

In this final project I realize there are still many mistakes due to the limited ability, knowledge and experience that author have, so the final project is still far from perfect. Therefore, I expect input from all parties, for the improvement and perfection of this final project in the future. So that I can convey. Hopefully this report can be useful to me in particular and readers in general.
