

PREFACE

Alhamdulillah, all praise and thankfully the author prays to the presence of Allah SWT because of the abundance of Allah SWT grace and guidance the writer can complete thesis with the title “THE EFFECT OF SUPPLY CHAIN MANAGEMENT PRACTICES (SCMP) ON FIRM PERFORMANCE CASE STUDY CLOTHING LINE IN BANDUNG”.

The purpose of writing this research is to fulfill one of the graduation requirements at the S1 International ICT Business (ICT) program, Faculty of Economics and Business, Telkom University, Bandung. In this study, the authors get a lot of guidance, criticism, suggestions, and enormous motivation for various parties. Therefore, the authors thank:

1. First and foremost to the author's parents, who have educated and raised the author and provided the means and infrastructure for the author to carry out his education to date, and always pray and fully support the author in any case.
2. Mrs. Ratih Hendayani S.T., M.M, Ph.D. as a supervisor and guardian lecture who provides guidance, direction, and motivation to the author to the author in making the thesis.
3. All Clothing Line in Bandung who have deigned to receive and fill out the questionnaire in this research.
4. Academic examiners from writers who have provided suggestions or input and constructive criticism for the author.
5. Mrs. Nora Amelda Rizal, Ir., MSc, M.M as the Head of the Telkom University Telecommunications and Information Technology (MBTI) Business Management Study Program and their staff.

6. All lecturers and staff of Telkom University especially for lectures and staff at Faculty of Economics and Business who have guided the author from an academic and non-academic perspective.
7. All campus student organizations, especially for the International ICT Business Student Council (IBS) as a place for writers to organize.
8. Friends of International ICT Business who have given encouragement and motivation in writing this thesis.
9. And also to all parties who cannot be mentioned by name and title by their authors, who have provided encouragement and enthusiasm in writing this thesis.

May Allah SWT reciprocate the kindness of all those who have helped and supported the completion of this research by bestowing His grace. The author realizes that this thesis is far from perfect, for that reason, I beg for constructive criticism and suggestions for the perfection of the author in the future. Finally, I hope this research can be useful for writers in particular and for readers who are interested in general.

Bandung, 26 January 2021
