

LIST OF FIGURES

1.1	Block Diagram of speech emotion recognition	5
2.1	db2 (above), db3 (below-left) & db4 (below-right)	12
2.2	Discrete Wavelet Transform Decomposition	13
2.3	Illustration of Speech Signal (up), its energy contour (down, continues) and Pitch contour of voiced Segments (down, Discrete).	14
2.4	Wavelet Signal	15
2.5	Peak Detection	16
2.6	Decomposition a time (left) into the frequencies (right)	17
2.7	Cepstrum	18
3.1	Block Diagram of Speech Emotion Recognition. Processes with bold text are the main contribution of this study.	19
3.2	Illustration of Silence Area of Speech Signal	20
3.3	The Result of Removing Silence Area	22
3.4	Level 1 of DWT	23
3.5	Level 2 of DWT	23
3.6	Level 3 of DWT	24
3.7	Level 4 of DWT	24
3.8	Level 5 of DWT	24
3.9	Level 6 of DWT	25
3.10	Illustration of voice segmentation (<i>v</i> : voice segment, <i>uv</i> : unvoiced segment)	25
3.11	Design of Neural Network. A three-layer model of emotion recognition neu- ral network with 8 neurons, respectively.	34
