

## MOTTO AND DEDICATION SHEET

Life feels so bored if there are no challenges on it. I will go as far as possible. The further I go, the bigger challenge will come to me, and I will pretty happy to face it. So that, I can feel the real vibrations in my life. It's not easy for me to get through all this, and it's not easy for me to be me. But I believe with all my sacrifices, I will become a tougher person.

It doesn't matter how much time I spend to learn for something. Even though that looks scary for me, I believe that is a good thing to try.

*I dedicated this final thesis to my whole family, especially my beloved parents.*
