

FOREWORD

Praise and gratitude to the presence of God Almighty for His grace and mercy so that the author can complete this final project with the title “**Development of Roll Application as Web-Based Menu Partners and Profile Using Iterative and Incremental Models**”. This final project was prepared as one of the graduation requirements for the Information Systems Study Program at Telkom University. In preparing this final project, the author received much support, guidance, and prayers from various parties. Therefore, on this occasion, the author would like to express his gratitude to:

1. Mr Faishal Mufied Al-Anshary, S.Kom., M.Kom., MSc as supervisor I who has provided guidance, direction, motivation, and advice in working and learning during the preparation of this Final Project until it can be completed.
2. Mrs Margareta Hardiyanti, S.Kom., M.Eng as supervisor II who has taken the time to provide guidance, direction, motivation, and advice in working and learning during the preparation of this Final Project until it can be completed.
3. Parents, older sister and her fiancé who have supported and prayed for the author to complete this final project.
4. Rifqi Naufalhanif Satrio Wibowo, Riyan Muda Karana Putra, and Rizkia Siti as members of the Roll website who have helped and exchanged ideas in the process of doing this final project.
5. Limbong Viona Diva Angelita has helped me provide direction and motivation for the author in completing this final project.

The writer realizes that there are still many shortcomings in this final project. Therefore, suggestions and criticisms are always expected to improve the final project. The author also hopes that this final project can provide knowledge and references.
