

FOREWORD

Gratitude and praises the writer would like to offer to The Almighty God, as through His grace and kindness, they were able to work well on this final project and its report titled “Designing “SUMMER” Visual Novel Game as an Anger Management Guide for Introverted Late Adolescents in Indonesia”. A final project report that is written to fulfill the conditions to obtain a Bachelor in Visual Communication Design study program (S.Ds.) at Telkom University.

In the process of working on and writing this final project and its report, the writer received support, assistance, and guidance from many people, which the writer would like to dearly appreciate. These people are:

1. Prof. Dr. Adiwijaya, S. Si., M.Si. as Telkom University’s rector.
2. Dr. Roro Retno Wulan, S.Sos., M.Pd. as Telkom University School of Creative Industries’s dean.
3. Mrs. Sri Maharani Budi H., S.Ds., M.Advtg. and Ms. Lira Anindita Utami S.Ds., M.Phil., Ph.D. as the writer’s 1st and 2nd supervisor, who has given their time, knowledge, solutions, and answers to assist and guide the writer in working on and writing this final project and its report.
4. Mr. Dimas Krisna Aditya, S.IP., M.Sn. and Mrs. Diani Apsari S.Ds, M.Ds as the writer’s 1st and 2nd examiner, who has given their suggestions for the writer to better this final project and its report.
5. Mrs. Sri Nurbani S.Pd., M.Hum. as the writer’s guardian lecturer who gave her support and encouragement in the process of working on this final project and its report.
6. The writer’s family, who are always there to ensure the writer’s well-being, may it be physically or emotionally, through their continuous support.

Through this final project, the writer greatly hopes to be able to help Indonesian late adolescents, especially introverted ones, in managing their very basic negative

emotion that is anger. And in the long run, an improvement in adolescent mental health awareness in Indonesia.

With the writer's inexperience, there are still some things to be desired in this final project report. As such, constructive criticism and suggestions are very much welcomed and needed for the writer to perfect this final project report.
