

ACKNOWLEDGEMENT

In the name of Allah, the Most Gracious and Most Merciful, all praise and gratitude are humbly offered to the Lord of all realms. It is through Your infinite grace and mercy that the author has been able to complete this thesis and attained a Master's degree.

With the completion of this thesis, the pursuit of a Master's degree has been successfully concluded. This achievement would not have been possible without the unwavering support, encouragement, and heartfelt prayers from family, friends, and dedicated lecturers. Therefore, the author wishes to extend their deepest and most sincere gratitude to:

1. **Mr. Arief Arroni** and **Mrs. Siti Nurchamidah**, my beloved parents, your unwavering faith in my potential has given me the confidence to pursue my dreams and strive for successes. Your sacrifices, support, and dedication have never gone unnoticed, and I hold deeply in my heart the invaluable lessons and boundless love you have imparted. For all that you have given me, I am eternally grateful. Thank you for being the best parents one could ever ask for.
2. **Assoc. Prof. Dr. Eng. Khoirul Anwar, S.T., M.Eng.**, as the Supervisor of this thesis. I extend my deepest gratitude for your invaluable guidance, immense knowledge, and insightful feedback. Your support throughout the development of this research has been pivotal to its success. The depth of your expertise and encouragement has profoundly influenced not only the trajectory of my research but also my academic and personal growth. I am truly fortunate to have had the opportunity to learn under your mentorship, and I am deeply grateful for the time and effort you have invested to helping me refine and improve my research. This thesis would not have been possible without your expertise and mentorship, and for that, I am sincerely thankful.

3. **Dr. Gelar Budiman, S.T., M.T.**, as the Co-Supervisor of this thesis, I wish to express my gratitude for your invaluable contributions, insightful suggestions, and support throughout the course of this research. Your expertise and thorough feedback have been essential in refining my work, especially in guiding me through complex aspects of this thesis. I deeply appreciate the time and effort you devoted to ensuring the quality of this research, and I am truly thankful for your guidance and dedication.
4. **Ir. Achmad Ali Muayyadi, M.Sc., Ph.D.** and **Hilman Fauzi Tresna Sania Putra, S.T., M.T., Ph.D.**, as the examiners of this thesis. I would like to express my sincere appreciation for your thorough evaluation and constructive feedback, which greatly contributed to the improvement of this thesis. Your meticulous review and insightful suggestions have greatly improved the quality of this thesis and offered valuable perspectives on the subject matter. I deeply appreciate the time and expertise you invested in this process, and I am truly thankful for your contributions to the development of this work.
5. To all members of **B5.5G Laboratory: Citra Dewi Anggraeni, S. T., M.T., Okzata Recy, S.T., M.T., M. Imansyah Basudewa, S.T., M.T., Dyan Ahadiansyah, S.T., M.T., Wahidin, S.T.,** and **Kurnia Mustika Wati, S.T.** Your support and insight have been incredibly helpful. I've really enjoyed our discussions and appreciated your feedback throughout this journey. Thanks for being such great friends and colleagues, and making this experience more enjoyable.
6. A huge thank you to my fellow ISM researcher, **Fachrul Rizal, S.T.**, and **M. Raffi Al-hasyimi, S.T.** Your support, insight, and teamwork have been awesome throughout this research. I've really appreciated all the brainstorming sessions, shared ideas, and your help in navigating the challenges along the way.
7. To my best friends, **Lita Kurnia Fitriyanti, S.T.** and **Siti Aisyah Amini, S.T.** I cannot thank you enough for your unwavering support and encouragement throughout this long journey, from our undergraduate days all the way to the completion of my graduate study. Whether it was through our endless conversations, your motivating words, or simply being there when I needed a break, your presence has made a sig-

nificant difference. I am truly grateful for your companionship and for standing by my side through the ups and downs of this process. Thank you for everything.

8. To my little cousin and niece, **Annisa Diniatul Abadiyah** and **Naura Izza Ulayya**. Your cheerful presence and boundless energy have brought joy to my life during this journey. Your support, even in the smallest ways, has meant a lot to me. Thank you for being a source of happiness throughout this process.
9. To all my **Family members**, I would like to extend my gratitude for your support and encouragement. Your belief in me and your constant encouragement have been a cornerstone of my perseverance. To each of you, thank you for your patience and understanding, and I am truly grateful for your love and support.
10. To all the **members of AICOMS**, I am really grateful for the bond we have built. Your support and encouragement have been a source of comfort for me. I value the connections we have made and am thankful for the amazing people around me.
11. To all my friends whom I cannot mention one by one, thank you for your support and encouragement throughout this journey.

All I can say is thank you from the bottom of my heart. If I have misspelled any names or titles, or inadvertently overlooked anyone in my expressions of gratitude, please accept my sincerest apologies. Your contribution, whether big or small, have gone unnoticed. Though I may have missed mentioning you here, I trust that God sees your kindness and dedication. May Allah reward you abundantly and bless you with endless happiness and success.
