

FIGURE LIST

Figure 1. Typical Configuration of a Subsea Production System.....	11
Figure 2. Merakes Hydrate Curve.....	14
Figure 3. Injection Point Mass Balance Diagram	18
Figure 4. Representation of Linguistic Variables	27
Figure 5. Classic Set Membership Function	28
Figure 6. Fuzzy Set Membership Function	28
Figure 7. Fuzzy Number Distribution	30
Figure 8. Basic Configuration of Fuzzy Logic Controller	30
Figure 9. ANFIS Model	35
Figure 10. Typical PID Control Scheme.....	37
Figure 11. MEG Injection System	39
Figure 12. MEG Calculation Sheet.....	40
Figure 13. Distribution of the Operating Pressure and Temperature with MEG Injection Manual Control	41
Figure 14. Model System Design.....	43
Figure 15. Simulation Workflow	44
Figure 16. ANFIS-PID Controller Performance Evaluation.....	51
Figure 17. Trending of Training Dataset.....	53
Figure 18. Trending of Testing Dataset	53
Figure 19. Trending Dataset of Existing MEG System	54
Figure 20. Correlation Matrix between Inputs and Output.....	59
Figure 21. Fuzzy Logic genfis1	60
Figure 22. Fuzzy Rules of genfis1	60

Figure 23. genfis1 Calculated and Predicted Output in Training of Training Dataset.....	61
Figure 24. genfis1 Calculated and Predicted Output in Testing of Training Dataset	61
Figure 25. genfis1 Calculated and Predicted Output in Testing Dataset	62
Figure 26. Fuzzy Logic genfis2	66
Figure 27. Fuzzy Rules of genfis2	66
Figure 28. genfis2 Calculated and Predicted Output in Training of Training Dataset.....	67
Figure 29. genfis2 Calculated and Predicted Output in Testing of Training Dataset	68
Figure 30. genfis2 Calculated and Predicted Output in Testing Dataset	68
Figure 31. Fuzzy Logic genfis3	73
Figure 32. Fuzzy Rules of genfis3	73
Figure 33. genfis3 Calculated and Predicted Output in Training of Training Dataset.....	74
Figure 34. genfis3 Calculated and Predicted Output in Testing of Training Dataset	74
Figure 35. genfis3 Calculated and Predicted Output in Testing Dataset	75
Figure 36. Step Response of the Identified Transfer Function	85
Figure 37. Step Response of the Plant after PID Tuned	86
Figure 38. ANFIS and PID Control System Design	87
Figure 39. Overall Response Setpoint and Plant.....	89
Figure 40. Trending Response Increment of Setpoint and Plant	90
Figure 41. Trending Response Decreament of Setpoint and Plant	91
Figure 42. Distribution of the Operating Pressure and Temperature with MEG Injection ANFIS-PID Control	91
