

## DAFTAR GAMBAR

|                                                                         |    |
|-------------------------------------------------------------------------|----|
| Gambar II.1 Instalasi Samba .....                                       | 23 |
| Gambar II.2 <i>Double Round</i> (Fitra Rahim & Supiyandi, 2024) .....   | 29 |
| Gambar II.3 Arsitektur AES(A.A, 2023) .....                             | 30 |
| Gambar II.4.4 <i>S-box Algoritma AES</i> (A.A, 2023) .....              | 31 |
| Gambar III.1 <i>Flowchart</i> Rancangan Penelitian .....                | 35 |
| Gambar III.2 Desain Topologi .....                                      | 36 |
| Gambar III.3 Arsitektur Sistem .....                                    | 39 |
| Gambar III.4 <i>Flowchart</i> Modifikasi AES .....                      | 40 |
| Gambar III.5 <i>Flowchart</i> Enkripsi Kombinasi AES dan ChaCha20 ..... | 44 |
| Gambar III.6 <i>Flowchart</i> Dekripsi Kombinasi AES dan ChaCha20 ..... | 46 |
| Gambar III.7 Desain <i>Web Client</i> .....                             | 48 |
| Gambar IV.1 Instalasi Samba <i>Server</i> .....                         | 54 |
| Gambar IV.2 Instalasi <i>Wireshark</i> .....                            | 55 |
| Gambar IV.3 Konfigurasi File “smb.conf” .....                           | 57 |
| Gambar IV.4 Pembuatan <i>Shared Directory</i> .....                     | 57 |
| Gambar IV.5 Hasil Pembuatan <i>Shared</i> Direktori .....               | 58 |
| Gambar IV.6 Struktur File <i>Project</i> Enkripsi .....                 | 58 |
| Gambar IV.7 Perintah <i>Running Wireshark</i> .....                     | 90 |
| Gambar IV.8 Folder untuk Data Uji .....                                 | 90 |
| Gambar IV.9 Pengujian Skrip “chacha20.py” .....                         | 91 |
| Gambar IV.10 Pengujian Algoritma Modified AES .....                     | 92 |
| Gambar IV.11 Enkripsi Gabungan .....                                    | 93 |
| Gambar IV.12 Menjalankan <i>Website</i> Kriptografi .....               | 94 |
| Gambar IV.13 Tampilan <i>Website</i> .....                              | 95 |
| Gambar IV.14 Upload File <10Kb .....                                    | 95 |
| Gambar IV.15 Tampilan Setelah Upload File <10Kb .....                   | 96 |
| Gambar IV.16 Upload File >10Kb .....                                    | 96 |
| Gambar IV.17 Tampilan Setelah Berhasil Upload File >10Kb .....          | 97 |
| Gambar IV.18 <i>Upload</i> File >100Mb .....                            | 98 |

|                                                                                 |     |
|---------------------------------------------------------------------------------|-----|
| Gambar IV.19 Tampilan Setelah Upload File >100Mb .....                          | 98  |
| Gambar IV.20 Menampilkan Daftar File .....                                      | 99  |
| Gambar IV.21 Verifikasi File Tersimpan pada Folder “shared” .....               | 99  |
| Gambar IV.22 Cek Kunci Benar .....                                              | 100 |
| Gambar IV.23 Tampilan Setelah Berhasil Enkripsi.....                            | 100 |
| Gambar IV.24 Cek Kunci Salah File “data3.xlsx” .....                            | 101 |
| Gambar IV.25 Tampilan Setelah Cek Kunci Salah File “data3.xlsx” .....           | 102 |
| Gambar IV.26 Cek Kunci Salah File “data3.xlsx.encrypted” .....                  | 102 |
| Gambar IV.27 Tampilan Setelah Cek Kunci Salah File “data3.xlsx.encrypted” ..... | 102 |
| Gambar IV.28 Analisis Performa Enkripsi/ Dekripsi Format TXT .....              | 103 |
| Gambar IV.29 Analisis Performa Enkripsi/ Dekripsi Format PDF .....              | 105 |
| Gambar IV.30 Analisis Performa Enkripsi/ Dekripsi Format DOCX .....             | 107 |
| Gambar IV.31 Analisis Performa Enkripsi/ Dekripsi Format XLSX .....             | 109 |
| Gambar IV.32 Analisis Performa Enkripsi/ Dekripsi Format JPG .....              | 111 |
| Gambar IV.33 Analisis Performa Enkripsi/ Dekripsi Format JPEG .....             | 113 |
| Gambar IV.34 Analisis Performa Enkripsi/ Dekripsi Format PNG .....              | 115 |
| Gambar IV.35 Grafik Rata-Rata Performa per Kategori File .....                  | 120 |
