

## DEDICATION

This thesis is crafted with the immeasurable support of my family. I give praise to God (Alhamdulillah) and express my deepest gratitude to everyone who has guided, supported, and contributed to this work. I dedicate this effort to my beloved parents, Alice and Bob, whose unwavering love and support have been my pillars at every step of this journey.

A special dedication also goes to my loving wife and our cherished child, whose patience and encouragement have been a constant source of strength and inspiration.
