

## TABLE OF CONTENTS

|                                                                          |    |
|--------------------------------------------------------------------------|----|
| FOREWORD .....                                                           | 4  |
| ABSTRACT.....                                                            | 6  |
| ABSTRAK .....                                                            | 7  |
| TABLE OF CONTENTS.....                                                   | 8  |
| CHAPTER 1 PRELIMINARY .....                                              | 12 |
| 1.1 General Description of Research Objects .....                        | 12 |
| 1.2 Research Background.....                                             | 17 |
| 1.3 Problem Formulation .....                                            | 25 |
| 1.4 Research Purpose .....                                               | 26 |
| 1.5 Research Benefits.....                                               | 27 |
| 1.1.1 Theoretical Benefits .....                                         | 27 |
| 1.1.2 Practical Benefits .....                                           | 28 |
| 1.6 Methodology .....                                                    | 28 |
| CHAPTER II LITERATURE REVIEW.....                                        | 30 |
| 2.1 Literature Review.....                                               | 30 |
| 2.1.1 Human Resource Management Theory.....                              | 30 |
| 2.1.2 Theory Of Organizational Behavior.....                             | 32 |
| 2.1.3 Work Enviroment.....                                               | 36 |
| 2.1.4 Workload.....                                                      | 38 |
| 2.1.5 Turnover Intention .....                                           | 41 |
| 2.1.6 Relationship between work environment and workload.....            | 44 |
| 2.1.7 Relationship between work environment and turnover intention ..... | 44 |
| 2.1.8 Relationship between workload and turnover intention.....          | 45 |
| 2.2 Previous Research .....                                              | 46 |
| 2.3 Theoretical Framework .....                                          | 70 |
| 2.4 Hypothesis.....                                                      | 71 |
| CHAPTER III RESEARCH METHODOLOGY.....                                    | 72 |
| 3.1 Research Type.....                                                   | 72 |
| 3.2 Variable Operationalization .....                                    | 74 |
| 3.2.1 Measurement Scale .....                                            | 78 |
| 3.3 Research Stage .....                                                 | 79 |
| 3.4 Population And Sampling .....                                        | 81 |
| 3.4.1 Population .....                                                   | 81 |
| 3.4.2 Sample.....                                                        | 82 |
| 3.5 Data Analysis Technique and Sources.....                             | 83 |

|                                                                               |     |
|-------------------------------------------------------------------------------|-----|
| 3.5.1 Data Collection.....                                                    | 83  |
| 3.5.2 Data Sources.....                                                       | 83  |
| 3.6 Validity And Reliability Test .....                                       | 84  |
| 3.6.1 Validity Test.....                                                      | 84  |
| 3.6.2 Reliability Test.....                                                   | 84  |
| 3.7 Data Anaylysis Technique .....                                            | 85  |
| 3.7.1 Descriptive Analysis .....                                              | 85  |
| 3.7.2 Structural Equation Modelling (SEM) Analysis .....                      | 88  |
| CHAPTER IV RESULT AND DISCUSSION .....                                        | 94  |
| 4.1 Descriptive Statistics.....                                               | 94  |
| 4.1.1 Respondents' Responses to Work Environment Variables (X1).....          | 94  |
| 4.1.2 Respondents' Responses to Workload Variables (X2).....                  | 98  |
| 4.1.3 Respondents' Responses to Turnover Intention Variables (Y) .....        | 100 |
| 4.2 Results of Structural Equation Model Analysis (SEM) .....                 | 103 |
| 4.2.1 Outer Model .....                                                       | 103 |
| 4.2.2 Inner Model.....                                                        | 107 |
| 4.2.3 Hypothesis Test.....                                                    | 110 |
| 4.3 Discussion .....                                                          | 112 |
| 4.3.1 Descriptive Analysis of Work Environment.....                           | 112 |
| 4.3.2 Descriptive Analysis of Workload.....                                   | 113 |
| 4.3.3 Descriptive Analysis of Turnover Intention.....                         | 114 |
| 4.3.4 The Effect of Work Environment on Turnover Intention .....              | 114 |
| 4.3.5 The Effect of Workload on Turnover Intention .....                      | 116 |
| 4.3.6 The Effect of Work Environment and Workload on Turnover Intention ..... | 117 |
| CHAPTER V CONCLUSIONS AND SUGGESTIONS.....                                    | 119 |
| 5.1 Conclusions .....                                                         | 119 |
| 5.2 Suggestions .....                                                         | 120 |
| 5.2.1 Practical Aspects .....                                                 | 120 |
| 5.2.2 Theoretical Aspects .....                                               | 121 |
| BIBLIOGRAPHY .....                                                            | 123 |

## LIST OF TABLES

|                                                               |     |
|---------------------------------------------------------------|-----|
| Table 2. 1 Previoud Research.....                             | 49  |
| Table 3. 1 Research Characteristics.....                      | 72  |
| Table 3. 2 Operational Variable .....                         | 75  |
| Table 3. 3 Instrument Scale.....                              | 79  |
| Table 3. 4 Score Interpretation Criteria.....                 | 86  |
| Table 3. 5 Outer Model Criteria.....                          | 90  |
| Table 3. 6 Inner model Criteria .....                         | 91  |
| Table 4. 1 The Response To Work Environment Variable.....     | 95  |
| Table 4. 2 The Responses to Workload Variable.....            | 98  |
| Table 4. 3 The Responses to Turnover Intention Variable ..... | 100 |
| Table 4. 4 Convergent Validity Test Results .....             | 104 |
| Table 4. 5 Fornell-Larcker Result .....                       | 106 |
| Table 4. 6 Composite Reliability Result .....                 | 107 |
| Table 4. 7 Standardized Root Mean Square Residual Result..... | 108 |
| Table 4. 8 R-Squared Result .....                             | 109 |
| Table 4. 9 Effect Size Result.....                            | 109 |

## TABLE OF IMAGES

|                                                                                                            |     |
|------------------------------------------------------------------------------------------------------------|-----|
| Figure 1. 1 Percentage of Indonesian Youth, 2016-2022.....                                                 | 14  |
| Figure 1. 2 Population of Bandung City 2023 .....                                                          | 16  |
| Figure 1. 3 Data The Great Resignation.....                                                                | 17  |
