

PREFACE

Praise to Allah SWT for all His blessings and grace, such that the author can complete the final project titled: “Multi-label Classification of Depression and Anxiety Indonesian Social Media: A Transformer Approach”. This research serves as a requirement for completing a bachelor’s degree in information systems, Faculty of Industrial Engineering, Telkom University.

The author hopes this final project can be useful and provide a positive contribution to the people and nation of Indonesia. In addition, the author does not forget the support that has been provided by several parties in the process of completing this final project. With this, the author would like to respectfully express gratitude to Mrs. Dita Pramesti, S.Si., M.Si., and Mr. Dr. Hanif Fakhurroja, S.Si., M.T., as the author's supervisors who have provided guidance and direction to complete this final project. Then to Ms. Dwi Wijayanti, S.Psi, M.Psi who has kindly helped the author in creating guidelines for mental health material. Gratitude is also expressed to both parents and family for their unwavering support and encouragement during the final project completion. Additionally, thanks to all college friends who provided help while simultaneously working on their own final projects; Maulana Fikrarifwan, Danish Firman Nanda Agusti, Muhammad Nabel Islami, Dzikri Hisyam, Putu Agus Aditya Dharma, Muhammad Hanif Al Hadi, and Muhammad Fadli Ramadhan.

The author has made every effort to complete this final project thoroughly. However, the author apologizes for any shortcomings or errors. Constructive criticism and suggestions are greatly welcomed as feedback for future improvements.
