

THANK YOU NOTE

All praise and gratitude the author offers to the presence of Allah SWT, for the blessings of His grace and blessings, so that the author can complete the compilation of this Thesis entitled:

"DETERMINANTS OF 5G TECHNOLOGY ADOPTION AMONG USERS IN BANDUNG CITY"

In the process of completing this Thesis, the author received a lot of support. On this occasion, the author would like to thank the various parties who have helped the author in completing this Thesis, namely:

1. Thank you to God because with His grace, the author's Final Assignment can be completed.
2. Thank you to both parents and younger siblings, Mr. Zulkardiman, Mrs. Asmarni, and Annisa Fitri Hafizhah, for their prayers and support for the author.
3. Thank you to Mr. Dr. Iwan Iwut Tritoasmoro, S.T., M.T., as the first supervisor, for the time and enthusiasm, and guidance that have been given so far.
4. Thank you to Mrs. Dr. Levy Olivia Nur, ST. M.T. is the second supervisor, who has given his time, guidance, and direction so far.
5. Thank you to Mrs. Dr. Linda Meylani, S.T., M.T., and Mr. Dr. Inung Wijayanto, S.T., M.T., as the first and second reviewers. I express my deepest gratitude for all the guidance, input, and constructive criticism that has been conveyed.
6. Thank you to friends for their support and encouragement, both directly and indirectly.

On this occasion, the author would like to express his deepest gratitude to all the people whom the author respects for helping in the making of the author's Thesis, who have given encouragement directly and indirectly. In the preparation of this Thesis, the author knows that the author's final assignment is still far from perfect. Hopefully, the author's Thesis will be useful for everyone, and the author hopes that it can be continued by friends and other juniors. May God multiply the rewards to all those who have helped and played a role in completing the author's Thesis from beginning to end.
