

## Daftar Isi

|                                                                         |     |
|-------------------------------------------------------------------------|-----|
| Lembar Pernyataan.....                                                  | i   |
| Lembar Pengesahan .....                                                 | ii  |
| Abstrak .....                                                           | iii |
| Abstract .....                                                          | iv  |
| Lembar Persembahan .....                                                | v   |
| Kata Pengantar .....                                                    | vi  |
| Daftar Isi.....                                                         | vii |
| Daftar Gambar.....                                                      | ix  |
| Daftar Tabel .....                                                      | x   |
| Daftar Singkatan.....                                                   | xi  |
| 1. PENDAHULUAN .....                                                    | 1   |
| 1.1 Latar Belakang Masalah.....                                         | 1   |
| 1.2 Perumusan Masalah.....                                              | 2   |
| 1.3 Batasan Masalah.....                                                | 2   |
| 1.4 Tujuan.....                                                         | 2   |
| 1.5 Hipotesis.....                                                      | 3   |
| 1.6 Metodologi Penyelesaian Masalah.....                                | 3   |
| 1.7 Sistematika Pembahasan .....                                        | 5   |
| 2. LANDASAN TEORI.....                                                  | 6   |
| 2.1 Mode Infrastruktur .....                                            | 6   |
| 2.2 Mode Ad Hoc .....                                                   | 6   |
| 2.3 Arsitektur Wireless LAN.....                                        | 7   |
| 2.3.1 Basic Service Set (BSS).....                                      | 7   |
| 2.3.2 Extended Service Set (ESS).....                                   | 7   |
| 2.4 Sublayer Medium Access Control (MAC).....                           | 8   |
| 2.4.1 Distributed Coordination Function (DCF).....                      | 8   |
| 2.4.2 Point Coordination Function (PCF).....                            | 9   |
| 2.4.3 Enhanced Distributed Coordination Function (EDCF) .....           | 10  |
| 2.4.4 Adaptive Enhanced Distribution Coordination Function (AEDCF)...   | 12  |
| 2.4.5 Seasonal Enhanced Distribution Coordination Function (SEDCF)..... | 14  |

|       |                                                          |    |
|-------|----------------------------------------------------------|----|
| 3.1   | Gambaran Umum Sistem .....                               | 16 |
| 3.2   | Network Simulator (NS-2) .....                           | 17 |
| 3.3   | Komponen Hardware dan Software .....                     | 18 |
| 3.4   | Skenario.....                                            | 19 |
| 3.4.1 | Konfigurasi Modul EDCF .....                             | 19 |
| 3.4.2 | Konfigurasi Modul AEDCF.....                             | 21 |
| 3.4.3 | Konfigurasi Modul SEDCF .....                            | 22 |
| 3.4.4 | Topologi Jaringan .....                                  | 22 |
| 3.4.5 | Parameter Quality of Service yang Dianalisis .....       | 25 |
| 3.4.6 | Pengambilan Data Hasil Simulasi.....                     | 26 |
| 4.    | Analisis .....                                           | 27 |
| 4.1   | Analisis Perbandingan skema EDCF, AEDCF, dan SEDCF ..... | 27 |
| 4.1.1 | Analisis Throughput .....                                | 27 |
| 4.1.2 | Analisis Delay.....                                      | 29 |
| 4.1.3 | Analisis Packet Loss Ratio .....                         | 31 |
| 4.1.4 | Analisis Collision Rate .....                            | 33 |
| 5.    | Kesimpulan Dan Saran .....                               | 37 |
| 5.1   | Kesimpulan.....                                          | 37 |
| 5.2   | Saran .....                                              | 37 |
|       | Daftar Pustaka .....                                     | 38 |
